The purpose of this form is to confirm a landowner's interest in a 50% subsidy of creating a managed forest plan and enrolling their property in the Managed Forest Tax Incentive Program (MFTIP). It also confirms that Kawartha Land Trust (KLT) will pay that 50% subsidy and describes the responsibilities and expectations of both parties.

To be eligible to receive the subsidy please check all that apply:

- ☐ I agree and understand that my plan must be submitted to the **MFTIP portal** between April 1, 2025 and March 30 2029 to be eligible for the subsidy.
- ☐ I have discussed the Partners in Conservation program with Kawartha Land Trust staff, and **wish to become a member**. By accepting, I understand that my personal contact information, property information, and Managed Forest Plan will be stored in a private database managed by KLT and that I will be contacted in the future regarding opportunities to participate in voluntary forest stewardship initiatives.
- ☐ **Check this box only if you wish to decline** participation in the Partners in Conservation program. By checking this box, I request that KLT not store my contact and land information, and not contact me in the future about forest stewardship opportunities.
- ☐ I acknowledge that my managed forest plan will include additional *information* regarding forest management as a nature-based climate solution, and acknowledge that Kawartha Land Trust will review a draft of my plan to ensure this information is present.
- ☐ I agree to pay 50% of the total cost of the managed forest plan as documented in the invoice provided to me by the Registered Professional Forester (RPF). This payment will be made directly to the RPF I am working with.
